Sir.

Sub:- BUDGET ESTIMATE - Elementary Education Fund - 1947-48 - Submission of.

I submit herewith in ~~triplicate~~ duplicate, the Revised Estimate for 1946-47 and Budget Estimate for 1947-48 of the Elementary Education Fund in the Form presented in Annexure I to the rules framed under the Act together with a summary and Statements.

REVISED ESTIMATE:- In the Revised Estimate for 1946-47 credit has been taken for Government grant under Sec.37 of the Act as Rs. 8,073/- instead of Rs.7,462/- as the Government have been addressed in this office Rc.No.B1.6235/46 dated 2-11-46. Under expenditure, provision made in the following cases has been enhanced as detailed below on account of opening of three additional schools (one from 10-6-46 and the other two from 1-1-47) and for payment of arrears of Dearness Allowance from 1-7-44 to 31-12-44 amounting to Rs.1,70/-.

	Budget Estimate 1946-48.	Revised Estimate 1946-47.	Excess over B. E.
	Rs.	Rs	Rs.
Masters. ...	13,240,	14,320.	1,080.
Dearness Allowance.	8,460.	11,450.	2,990.
House rent. ..	1,070.	1,360.	290.
Other items. ..	1,050.	1,130.	80.
Dearness Allowance.	790.	1,020.	230.
	24,610.	28,880.	4,270.

The extra provision made in the Revised Estimate is met from by contributing sum of Rs.3,250/- from General funds in addition to the contribution of Rs.1,017 already provided in the Budget for 1946-47. A sum of Rs.1,300/- has been provided under Capital out of the Capital Receipts. Necessary sanction may therefore be accorded for the alterations made in the Revised Estimate both under Ordinary and Capital.

BUDGET ESTIMATE. :- Details in regard to each item of expenditure have been furnished in the Establishment Schedule. Provision is made for equipment ordinary to meet the emergent requirements in 1947-48. The provision made under Repairs to Buildings is for the white washing of departmental buildings owned by the Councilx and for increasing the height of the compound wall of Ranganatham Ele.School as per the recommendations of the District Educational Officer.

Due provision has been made in the Budget Estimate for the staff equipment and accommodation etc. on the actual requirements of each school. The Headmasters and Headmistresses of Elementary schools had put in a petition to pay Duty Allowance and the Council has sanctioned the allowance at Rs.5/- per month as 'Duty Allowance' to Headmaster with one Assistant plus Re.0-8-0 for every additional assistant for Headmasters and Headmistresses with more than one assistant with effect from 1-12-1946. Provision has therefore been made in the Revised Estimate and Budget Estimate for this expenditure

p.t.o.

No provision is made for any capital work though the District Educational Officer has suggested that compound walls should be provided to some schools for want of funds.

There are no marked variations between the actuals for 1945-46 Revised Estimate for 1946-47 and Budget Estimate for 1947-48, except under salaries and contingencies which is mainly due to the opening of three new schools in 1946-47. As the receipts from ~~Entertainment~~ Cinema tax and Government grants under Section 37 of the Act and under proviso to Section 37 are not sufficient to meet the expenditure, a sum of Rs. 4,850/- is provided as contribution from General Account to Elementary Education Account.

I therefore request that the Government may be pleased to approve the Budget. A copy of my note dated 22-11-46, a copy of Establishment Schedule and a copy of the Council's resolution No.332 dated 29-11-46 approving the Budget are enclosed.

Budget Estimate - 1947-48 - Elementary Education Fund of the Bellary Municipality.

pp 17-18 ⊗ 19

The Revised Budget for 1946-47 opens with a balance of Rs.3,220/- (including Capital balance of Rs.1400/-) and closes with a 'Nil' balance under ordinary and with Rs.100/- under Capital as against the 'nil' balance under Budget Estimate 1946-47. The receipts and charges for the year underordinary are Rs.29,580/- and Rs.31,400/- respectively. While approving the Budget Estimate for 1946-47, the Government have in their order No.Ms.181 Edn. dated 25-1-46 ordered to reduce the credit taken for Government grant under Section 37 of the Act from Rs.8,140/- to Rs.7,462/- . The total tax realised in 1945-46 was Rs.8,073-5-8 which works out to 1% of the property rentals (½% for First half-year and 3/4% for second half year) as against 1-1/3% admissible under G.O.530 Edn. dated 6-4-45. Credit for this amount is now taken in Revised Estimate as Government have been addressed in this office Rc.No.B1.6235/46 dated 2-11-46 for sanction. The increase in expenditure as detailed under each items is due to the extra provision made for an additional school in the Fort from 10-6-46 and two more schools one at Mahanandikottam and one at Hirehallukkadam from 1-1-47 as per the recommendations of the educational authorities and for payment of arrears of Dearness Allowance for six months from 1-7-44 which amounts to Rs.1,700/-.

	Budget Estimate.	Revised Estimate.	Excess.
Masters, Dearness allowance.	Rs. 13,240.	Rs. 14,320.	Rs. 1,080.
	8,460.	11,050.	2,590.
House rent.	1,360.	1,070.	290.
Other items.	1,130.	1,050.	80.
Dearness Allowance.	1,020.	790.	230.
			4,270.

To meet this excess expenditure of Rs.4,270/- an additional contribution of Rs.3,250/- from General Funds has been provided in the Revised Estimate as no other receipts (ordinary) are available under this account.

Under Capital, furniture and apparatus a sum of Rs.1,300/- has been provided in the Revised Estimate for new furniture required for some of the existing schools and the new schools opened and to be opened during the course of the year. Sanction of Government and Council to the expenditure provided in the Revised Estimate in excess of the Budget Estimate has to be obtained.

BUDGET ESTIMATE:-

The Budget Estimate for 1947-48 is expected to open with a nil balance under Ordinary and with Rs.100/- under Capital. The receipts and charges for the year are Rs.30,740/- and Rs.30,750/- respectively. Provision has been made for payment of salaries and Dearness Allowance at Government rates and other recurring charges as per sanctioned schedule put up herewith. Provision for opening new schools one at Hirehallukkdam and one at Mahanandikottam has been made in the Revised Estimate and Budget Estimate from 1-1-46 as per recommendations of the educational authorities. The Dist.Educational Officer has suggested in his Rc.No.405-C/46 dated 11-11-46 to provide compound walls to Babu Rajendra Prasad School, Lalakaman Ele.School and Municipal Elementary Tank Bund School; but for

but for want of funds, no provision has been made under Capital expenditure for this purpose. He has also recommended to provide a lump sum of Rs.25/- for each school under equipment, Rs.200/- under Furniture and Apparatus, Rs.200/- under Books and Maps, and Rs.50/- under other items have therefore been provided in the Budget Estimate. He has also suggested to increase the height of the compound wall of Ranganatham Ele.School. This may be met from the amount of Rs.500/- provided under Repairs to Buildings.

The Headmasters of Elementary Schools have put in a petition to pay duty allowance. It is therefore proposed to pay ~~Rs.2/-~~ duty-allowance to Headmasters at Rs.2/- per month to the Headmaster with a single assistant plus Re.0-8-0 per month for every additional assistant. This may come to Rs.500/- for the year.

As the receipts from Entertainment Tax and Government grant under Section 37 of the Act and under proviso to Section 37 are not sufficient to meet the expenditure, a sum of Rs.4,550/- is provided as contribution from General Account to Elementary Education Account. The Budget Estimate as prepared may therefore be approved and passed.

Dear Sir,

Sub;- Elementary municipal School Teachers - payment of dearness allowance from 1st July 1944 to 31st December 1944 - sanctio requested.

See 1 A 07 12/2/47

When I was there last week I wanted to speak to you with regard to the above subject of payment of dearness allowance to Elementary School Teachers of Bellary Municipality for the period of six month from 1st July 1944 to 31st December 1944. I understand that all the other servants of the Municipality have drawn dearness allowance fo the above period and that the Bellary Municipality has also passed a resolution for payment of the allowance and have sent it up to yo for sanction.

I also understand that the Hospet Municipality as well as the Adoni municipality within our District and the District Board also have paid dearness allowance for the above period and sanction has been accorded by the Government therefor.

It is not known on what grounds the above proposal has not yet been sanctioned by the Government in the case of the poor Elementary School Teachers of the Bellary Municipality. I understand that there are funds from which the above amount could be paid.

I would ~~earnestly request~~ earnestly request you to take up the matter expeditiously and sanction payment of the dearness allowance for the above period.

Honourable Sir,

We, the members of the Bellary Municipal Elementary School Teachers' Association extend a hearty welcome to you on the occasion on your visit to our town to take this opportunity to represent the following grievances for your kind sympathetic consideration and favourable orders.

LAD
E-J-P-H-M-O

Though, every member of the Municipal Staff including the menial and inferior servants have been granted the Dearness Allowance for the period from 1.7.44 to 31.12.44, we are the only unfortunate lot serving under this Council who have been denied this relief till now. As the Council has already sanctioned the payment by a diversion from the general funds, we request the Government to pass very early orders sanctioning the payment of the same.

Ho

7.3.47

Though the qualification prescribed for teachers in Government and Municipal Services are the same, different scales have been announced by the Government in the recent communique. We request the Government to treat us on a par with the Government Servants as the work involved in both the departments is the same.

LAMisc 8079
7-3-47

The Number of prescribed working days to all Elementary Schools is 220. We request the Government to reduce the number to 200.

The leave on average pay the Elementary School Teachers earn, is only 2½ days per year. The sick leave is also granted on half pay on Municipal Council for Sub-ordinates who entered service after 4.9.33. We request the Government to revise the rules so as to grant full pay on Municipal Council also.

We thank the Honourable Minister for his patient and sympathetic hearing and wish him long life and prosperity.

We remain,
Honourable Sir,
Your most obedient servants,
